TREES

Common Name	Botanical Name	Broadleaf Evergreen	Deciduous	Coniferous	Palm	Up to 15'	15' to 30'	30' to 50'	Over 50'	Open	Medium	Dense	Round	Spreading	Columnar	Oval	Upright	Pyramidal	6" Max. * Slow	Moderate	1' Min. * Rapid	Fine	Medium	Coarse	Drought	Wind	Recycled Water (#)	Disease Resistance	20 to 40 Years	40 to 80 Years	Over 80 Years	Aromatic	Attracts Birds	Fruit * Flower	Fall Color	Unusual Leaves	Clean * Neat	Bark	Silhouette	Specimen	Irrigated Lawn	Unirrigated Conditions	Parking Lot * Plaza	Open Space * Park	Access * Perimeter Road	Internal Roads	Limited Access Roads	Bike Paths	Pedestrian Walks	Medians	Brittle Branches	Dangerous Fruit/Cones	Frost may Damage	High Amount of Litter	High Maintenance Requir	High Water Requirements	Invasive Root System	Litter Inhibits Undergrow	Poor Growth Habit	Roots Heave Pavement	Sensitive to Digging/Movi	Sensitive to Overwatering	Short Lived	Weak Wood	Wind Damage
		Type of Tree				Height				Density			Shape						Rate			Texture			Tolerances				Life of Tree			Outstanding Characteristics									Possible Sites									Problems															
Bailey Acacia	Acacia baileyana	*					*				*		*							*		*			*	*		*	*						*		*				*		*	*	*	*	*	*	*		*		*	*			*							
Blackwood Acacia	Acacia melanoxylon	*						*				*					*			*			*		*	*	*	*		*											*		*	*		*	*			*			*				*							
Red Maple	Acer rubrum		*				*				*		*	*			*				*		*						*					*	*	*	*	*		*	*	*	*			*	*	*	*			*	*				*							*
Silver Maple	Acer saccharinum		*						*	*				*			*				*			*						*					*						*			*	*						*			*	*		*			*				*	
Red Horsechestnut	Aesculis carnea		*				*				*							*		*			*					*	*					*	*						*	*	*				*	*							*									
Silk Tree	Albizia julibrissin		*				*			*				*						*		*				*				*			*	*		*			*	*	*			*						*		*											
Italian Alder	Alnus cordata		*					*			*					*	*			*			*				*			*									*		*			*					*							*							
Strawberry Tree	Arbutus unedo	*					*					*	*						*				*		*	*	*	*		*			*	*			*			*		*				*	*				*													
Queen Palm	Arecastrum romanzoffianum				*			*		*							*				*		*							*						*		*		*		*							*		*											*
Weeping Bottlebrush	Callistemon viminalis	*						*				*		*						*			*	*				*		*		*	*	*		*				*	*	*	*				*	*	*				*						*				
European Hornbeam	Carpinus betulus	*	*				*					*	*		*		*		*				*		*					*							*		*	*	*	*	*	*	*			*		*										*			
Western Catalpa	Catalpa speciosa		*						*		*		*							*			*						*					*						*			*									*					*					*
Chinese Hackberry	Celtis sinensis		*					*			*		*							*		*			*	*	*			*									*	*	*	*	*	*		*	*	*															
Common Hackberry	Celtis occidentalis		*					*			*		*							*		*			*	*	*	*		*									*	*	*	*	*	*		*	*	*	*														
European Hackberry	Celtis australis		*						*		*		*								*	*			*	*	*			*									*	*	*	*	*	*		*	*	*															
Eastern Redbud	Cercis canadensis		*			*					*		*							*			*		*			*		*					*	*						*						*	*														
Washington Thorn	Crataegus phaenopyrum		*				*			*			*							*			*		*			*	*				*	*	*					*	*		*			*	*	*				*											
Bronze Loquat	Eriobotrya deflexa	*					*				*		*							*				*						*						*			*		*		*		*		*	*	*														
Red Gum	Eucalyptus camaldulensis	*							*		*		*	*							*		*		*	*	*	*		*		*		*								*		*	*					*										*				
Microtheca Eucalyptus	Eucalyptus microtheca	*						*			*		*							*			*		*	*				*		*		*								*		*	*					*														
Peppermint Eucalyptus	Eucalyptus nicholii	*						*			*			*						*			*		*	*		*		*		*							*		*	*	*	*	*	*	*		*														
Desert Gum	Eucalyptus rudis	*							*		*			*			*			*			*		*	*	*	*		*		*		*							*	*		*	*					*														
Raywood Ash	Fraxinus oxycarpa 'Raywood'		*						*		*					*	*			*			*				*			*					*					*	*		*	*	*	*		*	*	*														
Australian Willow	Geijera parviflora	*					*				*				*	*				*			*		*			*	*										*		*	*	*	*	*		*	*	*	*														
Maidenhair Tree	Ginkgo biloba		*					*		*				*			*		*				*		*			*		*					*	*			*	*	*		*			*	*	*	*	*													*
Jacaranda	Jacaranda acutifolia		*					*		*						*				*		*						*		*			*	*		*			*		*		*		*							*									*		*
Chinese Flame Tree	Koelreuteria bipinnata		*					*			*		*								*		*		*	*			*					*	*	*					*	*	*	*	*	*				*					*	*			*						
Goldenrain Tree	Koelreuteria paniculata	*						*			*		*						*				*		*	*			*					*	*	*					*	*	*	*				*	*	*				*	*			*						
Crape Myrtle	Lagerstroemia indica		*				*			*							*		*			*			*				*				*	*	*			*	*	*		*	*						*	*						*							
Sweet Bay	Laurus noblis 'Saratoga'	*					*					*	*						*				*		*	*			*			*					*				*	*		*														*					
Tulip Tree	Liriodendron tulipifera		*						*		*					*					*			*				*		*					*	*			*		*			*			*																
Southern Magnolia	Magnolia grandiflora	*						*				*		*						*				*				*		*		*	*	*		*				*	*		*	*				*	*	*				*				*						*
Crabapple	Malus 'Robinson'		*				*				*			*						*			*					*	*				*	*	*					*	*			*					*	*										*				
Mayten Tree	Maytenus boaria	*					*				*					*			*			*						*		*							*		*	*	*		*	*		*		*	*	*				*					*					
Flaxleaf Paperbark	Melaleuca linariifolia	*					*					*	*						*			*			*	*			*					*		*		*			*	*	*		*	*	*	*	*	*			*									*			
New Zealand Christmas Tree	Metrosideros excelsus	*					*					*	*						*				*			*				*				*						*		*		*		*	*	*	*			*												
Canary Island Pine	Pinus canariensis			*					*			*			*			*		*				*		*		*		*			*						*	*	*	*	*	*				*				*											
Chinese Pistache	Pistachia chinensis		*					*			*		*							*			*		*	*				*				*	*						*	*	*	*				*	*	*				*	*									*
Victorian Box	Pittosporum undulatum	*						*				*	*								*	*			*		*	*	*				*	*						*	*	*	*	*	*		*	*				*	*	*										
London Plane Tree	Platanus acerifolia		*					*			*			*							*			*	*	*				*				*	*			*			*		*	*																				
Fern Pine	Podocarpus gracilior			*					*		*					*				*		*			*				*								*				*		*				*	*	*														
White Poplar	Poplus alba		*					*				*				*					*		*			*				*						*					*	*		*	*		*				*			*	*		*			*					
Lombardy Poplar	Populus nigra 'Italica'		*						*			*			*						*		*			*			*						*		*	*			*	*	*	*	*										*			*						
Cherry Plum	Prunus cerasifera		*				*				*			*							*		*						*					*	*	*	*	*		*	*		*	*			*	*	*				*	*											
Ornamental Pear	Pyrus calleryana		*					*			*							*		*			*						*					*	*						*	*	*				*	*															
Coast Live Oak	Quercus agrifolia	*						*			*			*			*				*		*								*								*	*	*	*		*										*			*						
Scarlet Oak	Quercus coccinea		*						*	*						*	*			*			*								*								*	*		*	*	*		*	*	*											*				
Holly Oak	Quercus ilex	*					*				*			*					*				*		*	*		*		*									*		*		*	*	*	*	*	*	*					*										

Species Characteristics Table

Mexican Palm	Washingtonia robusta				*				*		*						*				*			*	*	*				*						*			*			*	*		*				*															

Note to users of this chart: This list was prepared considering the environmental and horticultural conditions for the City of Milpitas. It is intended to be as "inclusive" as possible to maximize the aesthetic and functional uses of trees in Milpitas, and to emphasize appropriate considerations in the selection of tree species for certain uses. In is not intended to be the absolute authority on tree species for the City of Milpitas. We encourage ongoing revision of this list and experimentation with new species. (#) Per South Bay Water Recycling Agency species listing.
