### **Milpitas City Council Unanimously Re-Appoints Vice Mayor Evelyn Chua**

MILPITAS, CA – December 18, 2023 — FOR IMMEDIATE RELEASE

The City of Milpitas is proud to announce the re-appointment of Vice Mayor Evelyn Chua to the esteemed position of Vice Mayor, reaffirming the trust and confidence placed in her capable leadership.

Following a unanimous decision by the Milpitas City Council, Vice Mayor Evelyn Chua has been re-appointed to continue her service as Vice Mayor, effective December 12, 2023. The swearing-in ceremony was conducted by Annalyn Bui, Vice Mayor Chua's granddaughter, adding a personal and memorable dimension to this significant milestone. This re-appointment reflects the recognition of Vice Mayor Chua's exemplary leadership and invaluable contributions to the advancement of Milpitas.

"I am honored and privileged to be re-appointed as Vice Mayor of our awesome City," said Vice Mayor Evelyn Chua. "I am deeply committed to building upon the progress we have made and working collaboratively with my fellow councilmembers and the community to address our challenges and seize new opportunities for growth."

Vice Mayor Evelyn Chua is the first woman of Filipino descent ever elected to serve on the Milpitas City Council. Before being elected to the City Council, Vice Mayor Chua served on the Planning Commission for almost four years. She has also served on the Emergency Preparedness Commission and the Community Advisory Commission, for 3-4 years each. In 2016, she came on board as Chair of Milpitas' Citizens Task Force on Water Rates. And in 2017, Vice Mayor Chua led an initiative to start a Safe Exchange Zone in the parking lot of the Milpitas Police Department. This area allows for the safe exchange of online purchases, as well as children custody exchanges between parents.

Join us in congratulating Vice Mayor Chua on her re-appointment, recognizing her continued commitment to serving the people of Milpitas.

## **About the City of Milpitas**

Located at the southern end of San Francisco Bay, Milpitas is a progressive community that is an integral part of Silicon Valley. A full-service city with water utility, sewer utility, police and fire services, Milpitas is a flourishing community with a very diverse and inclusive resident population of over 80,000. Often referred to as the Crossroads of Silicon Valley, the City is situated between major thoroughfares in the Bay Area and considered a highly desirable location for world-class technology companies seeking to build a central base of operations. With the addition of the new Milpitas Transit Center offering BART, light rail, and bus service, and multiple new mixed-use development projects, along with a host of new City Plans and Programs in support of an inspiring and sustainable future, the City is at the forefront of building the next generation economy.
