OCTOBER 29
2021

THE OFFICIAL BI-WEEKLY NEWSLETTER OF THE CITY OF MILPITAS

MESSAGE FROM CITY MANAGER STEVEN G. MCHARRIS

October is Filipino American History Month (*also known as Filipino American Heritage Month*) and commemorates the arrival of the first Filipinos who landed in what is now Morro Bay. On October 12, 2021, Filipino American labor leader Larry Itliong was inducted into the California Hall of Fame for his leadership in civil rights and labor movements and advocacy for Filipinos in California and across the country,

Each year, Filipino American History Month is recognized with a special theme. The 2021 theme is *"50 Years Since the First Young Filipino People's Far West Convention."* More than 300 young Filipino Americans participated in the first Young Filipino People's Far West Convention at Seattle University in 1971, sparking the beginning of the Filipino American Movement. This year, across the nation, Filipino-American community-based organizations, colleges and universities, and non-profit agencies will be commemorating the occasion

through various events. The 2019 American Community Survey indicates that Milpitas is comprised of an estimated 11,341 strong Filipino community, representing approximately 13.5% of the City's Asian population. The City also takes pride in having made a mark in history with Councilmember Evelyn Chua being the first Filipina elected official to the Milpitas Council.

On October 22, 2021 the City had its Filipino American History Month Flag Raising event at the Milpitas Community Center where the rich heritage, accomplishments, and contributions that many Filipino Americans have made throughout our country's history – such as serving in our armed forces to the frontlines of the pandemic as essential workers – was celebrated. Let us take a moment to shine a light on the extraordinary legacy of trailblazing Filipinos who have built, shaped, and improved our nation.

MICROGRID CONSTRUCTION

Construction of new microgrids at Milpitas' Community Center and Senior Center will commence in the coming weeks! Each microgrid will include solar panels and energy storage – providing clean energy daily and backup power during outages. New EV charging stations outside the Senior Center will also be installed. Parking lot access will be limited while construction is in process. Click [here](#) to learn more.

BRIDGING THE DIGITAL DIVIDE IN OUR COMMUNITY

Home Smart Speaker Devices will be made available to seniors who would benefit from the device for purposes such as: countering social isolation, to use as reminders for medical appointments, playing music, etc. – all of which might add greater, health, wellness and mental wellbeing. The initial outreach will be for seniors participating in the MAP program. To date, 77 seniors have received a Google Home Smart Speaker Device and have received an orientation as to its use. From the recent "Welcome Back" event on Oct 2nd, 9 additional seniors are scheduled to receive an orientation and device in the next two weeks.

SENIOR NUTRITION LUNCH PROGRAM

During the week of October 4 – October 8, the Senior Center served a total of 600 meals to seniors for an average of 120 meals served a day. Over 43,000 meals have now been served since the start of the pandemic.

COMMUNITY DEVELOPMENT BLOCK GRANT SURVEY

We need your help in determining priorities when allocating funding from the Community Development Block Grant. We value your opinion and seek your feedback through a needs assessment survey. The result of this survey, along with input from community meetings, will assist us in the development of a Consolidated Plan. The plan is a document, derived from public input, that governs the use of Federal housing and community development funds for the next several years.

Participate in the survey [here](#). Survey deadline is November 28, 2021. Thanks in advance for your support!

LYFE (LEADING YOUTH FEATURES EVERYDAY) PROGRAM

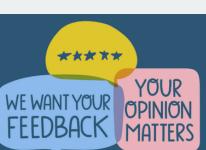

The LYFE program has had a successful start and the weekly themes have provided a skill building base to allow participants to have activities that expand their skilled learnings. This month participants have been or will be partaking in the following skill sets: Effective note taking and professional email writing. The program will progressively continue to provide different skill learning activities to promote growth at the LYFE program.

Milpitas Assistance Program (MAP) customers may use their discount toward this program.

HOLIDAY MAGIC ON MAIN STREET PERFORMANCE OPPORTUNITIES

We want to put your performance group onstage for Holiday Magic on Main Street! With two stages and 16 days of performances, there are performance opportunities for schools, churches, even individuals who want to share their talent. Contact Vince Collantes for more information, (408) 586-3204.

QUICK START SLAMS TENNIS

Parents are encouraged to participate with their child through a fun Quick Start Slams tennis class. They will learn different tennis techniques and tennis games that they can play with their child. These games assist in the development of a solid foundation for future playing skills. Children will develop the building blocks to rally and play competitive games on a 36-foot court using age appropriate racquets and balls. Coaches will assist parents in working with their child to build the core muscle groups to perform the basic athletic skills of running, tossing, and catching. This takes place every Wednesday from Nov 3, 2021 to Nov 24, 2021 from 6pm to 6:45pm. For additional information and to sign up, click [here](#).
