

# MILPITAS MATTERS

SEPTEMBER 24  
2021

THE OFFICIAL BI-WEEKLY NEWSLETTER OF THE CITY OF MILPITAS

## SEPTEMBER IS NATIONAL SUICIDE PREVENTION AWARENESS MONTH

### MESSAGE FROM CITY MANAGER STEVEN G. MCHARRIS

September is Suicide Prevention Awareness Month. It is a time to raise awareness on a topic that is often considered taboo. Suicidal thoughts can affect anyone regardless of age, gender, sexual orientation or background. Everyone is affected by suicide, not just the victim. It also significantly impacts family and friends long after the loss of a loved one. The Centers for Disease Control and Prevention (CDC) estimates that 130 Americans die by suicide every day and that there is one death by suicide every 11 minutes.

In Milpitas, we work together as a community to prevent suicides. Our goal is to raise awareness, spread hope, and increase access to resources to those who have contemplated or attempted suicide and for those who have lost a loved one to suicide and suffered the shock.

In 2018, the City of Milpitas adopted its Suicide Prevention Policy and convened a community task force called Milpitas HOPE (*Helping Others Process Emotions*) that includes health care professionals, educators, faith and community leaders, Milpitas Police Department, Milpitas

Recreation and Community Services and residents. We partner closely with Santa Clara County's Behavioral Health Services, which coordinates regional suicide prevention efforts. The City welcomes organizations, businesses and individuals to collaborate with us. For more information, please contact Program Coordinator Charu Aggarwal by calling (408) 586-3405 or e-mailing [caggarwal@ci.milpitas.ca.gov](mailto:caggarwal@ci.milpitas.ca.gov).

Your mental health or a loved one's can never be taken too lightly. It's important to recognize that when we discuss prevention, we must also accept that despite our best efforts some people still tragically choose suicide. Becoming aware of suicide prevention is important. Our friends, family members, and colleagues may need help. Let us continue to work hard to ensure that people we know have access to the resources they need to discuss suicide prevention and seek help. *Together, we can help save lives.*

## BOBA WITH A COP

On Tuesday September 21st, the Milpitas Police Department hosted Boba with a Cop at I-Tea Doraku located at 760 E. Calaveras Blvd. in Milpitas. This 2-hour community engagement event was the second in-person event, that the department has held this year. Over 120 boba drinks were shared with the community. Attendees were able to speak with members of the department's Command Staff, Patrol Services Division and Criminal Investigations Bureau. In addition to boba drinks and free goodies, attendees were able to view information regarding job openings and crime trends. The Milpitas Police Department would like to thank the community members and staff who attended and made this a great event. Special thanks to I-Tea Doraku for their generous donation of boba drinks and support.

## HOPE MENTAL HEALTH SUPPORT

Do you know of someone who is struggling with mental health? Are you or someone you know feeling anxious about the transition back into the workplace and in-person activities? You are not alone, and help is available. Call the City's social services coordinator at (408) 586-3405 to connect with free resources that can help you cope. You can also find more information, and register for upcoming Milpitas HOPE (Helping Others Process Emotions) social/support groups by clicking [here](#).

## MAKE A PLAN, PREPARE FOR THE UNEXPECTED

Many kinds of emergencies can lead to an evacuation. In some cases, you may have a day or two to prepare while other situations might call for an immediate evacuation. Planning is vital to making sure that you can evacuate quickly and safely no matter what the circumstances. Always map out several routes with safe locations to meet up in case you become separated. Make sure that each family has a copy of this route in their Go Bag. For more information, please click [here](#).

## VTA SAFETY REMINDER

With the light rail system down for three months throughout Santa Clara County, some may have let their guard down around tracks or crossings. However, some trains have resumed operations with the remaining scheduled to come back shortly.

Please remember the following safety tips when traveling on or around the VTA light rail system, whether you're on foot, bike or in a vehicle.

- LOOK both ways before crossing our tracks. Watch for warning signs and stay behind the yellow line when you're on a light rail platform.

- Remove your headphones and LISTEN for the light rail train and any audible warning signals that let you know a light rail train is approaching a stop or a crossing.

- PAY ATTENTION to warning signs and street and pedestrian crossing gates. They are there to protect you and remind you to only cross the tracks when it is safe to do so.

Protective measures in place around VTA light rail stations and tracks should never be ignored.

## FREE COVID-19 TESTING

School age kids should get COVID tested. The Milpitas Community Center is a Santa Clara County Public Health COVID-19 test site. We offer free testing every Monday and Thursday, 10 a.m. - 6 p.m. at 457 E. Calaveras Blvd. No appointment is necessary.

## WATER METER UPGRADE PROJECT IN PROGRESS

To better serve customers, support conservation efforts, and reduce operating costs, the City of Milpitas is continuing the process of modernizing its water utility infrastructure. New and improved water meters have been installed at homes, businesses, and other facilities since March 2021. To learn more about the project, please click [here](#).

## IS YOUR HOME DROUGHT-READY?

We are in a drought emergency, and we are in this together. To help everyone use less water, Valley Water offers free water conservation tools and devices. You can upgrade your showerheads and aerators for free. Click [here](#) and [here](#) to learn how to save water and money today.

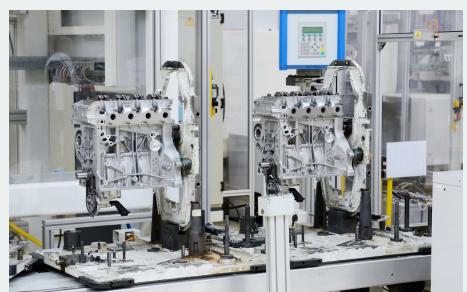

## MILPITAS SANITATION COMMUNITY COMPOST GIVEAWAY

The City of Milpitas will be holding a FREE compost giveaway for Milpitas residents on Saturday, October 9th, from 7:00am - 11:00 am. A photo ID with address and signed waiver will be required for attendance. While supplies last, Milpitas residents only get 2 free bags of compost. Link to waiver [here](#).

## 5TH ANNUAL MANUFACTURING DAY

The Office of Economic Development is excited to host Manufacturing Day, an event held in partnership with Milpitas Unified School District to introduce students to exciting careers in technology and advanced manufacturing. This year, we continue the tradition of hosting an informative and engaging event while keeping everyone safe by having a virtual event instead. Join us on Thursday, October 7 from 11am to 12:15pm for the 5th Annual Manufacturing Day featuring a panel discussion on the following topics: trends from COVID-19, career pathways for students, and bringing attention to the need for more women in manufacturing. Manufacturing Day is a great opportunity to learn more about the employers in our backyard, ask questions directly to our accomplished panelists, and provide students with the knowledge and resources to kickstart a successful career in manufacturing. We look forward to seeing you. Register [here](#).

## MILPITAS RECREATION AND COMMUNITY SERVICES HIRING

Join our team! Milpitas Recreation and Community Services is hiring part-time building attendants. We're looking for people with great customer service skills to welcome the public to our facilities for classes, private rentals and a host of other activities. Apply online [here](#).

## SAT MATH PREP CLASS

This class is an in-depth review of all four math content categories covered by the SAT. Students will review or re-learn all the important math concepts that should be mastered for future math classes. Sample problems, both multiple choice and "grid-ins," will be demonstrated in class. Five actual practice exam sections will be given and graded in this class, and personalized feedback will be given to the students. This class also prepares students for the PSAT. College admissions requirements and target score strategies will also be discussed. For more information, click [here](#).

## SKATEBOARDING 101 LESSONS

Did you know skateboarding was in the Olympics this year? Rob, the creator and founder of Rob Skate, trained a handful of these athletes as they were starting out skateboarding. Learn from Rob Skate to better yourself as a skateboarder. This class will teach beginner and intermediate skaters basic skateboarding fundamentals while keeping themselves safe.

Classes will be held at the Milpitas Skate Park 1325 E. Calaveras Blvd, Milpitas. All participants must wear closed toe shoes and bring their own skateboard, helmet, knee pads, and elbow pads. For additional information, click [here](#).

## AFTER SCHOOL SPORTS CLINIC

Whether your child is a beginner or more advanced player, the drills taught at these classes will help them fall in love with sports. The National Academy of Athletics sport-specific classes provide kids various ways to learn about games and fitness while having a blast and making new friends. This clinic is using their expanded curriculum to include social and emotional learning (SEL), and meets the National Standards and Grade Level Outcomes to produce a quality Physical Education program that creates confidence, optimism, and growth. For additional information, click [here](#).

## "SHOP 'TIL YOU DROP"/ HOLIDAY MAGIC PARENT NIGHT OUT

During this busy season, your favorite ATB-LYFE (After the Bell-Leading Youth Futures Everyday) staff will be available to watch the kids while you go on a much needed date night to the City's new Holiday Magic on Main Street, shop 'til you drop at the mall or just enjoy some time alone. Kids will enjoy snacks, activities, and a movie (to be determined). This program will be from 4:00 P.M. to 8:00 P.M. on 12/10 & 12/18. For more information click [here](#).
