

Are you ready for a new, positive and community-led, direction for Milpitas? I kindly ask for your vote to unite our city by bringing a fresh perspective and energy to ensure thriving spaces across Milpitas.

As your Councilmember & Vice Mayor, we have achieved so much together: developing the first Community Service Officer Unit; securing over \$1.5 mill. for homeless prevention; and most proudly, creating a taskforce to address the needs of our young women and girls.

My roots are deep in our soil. My daughter, who just graduated from college, grew up here and my parents retired here. I love Milpitas. I will be your champion. I will listen to you as we navigate solutions to crime, housing, climate, odor, and inflation. My heart and values drive my service. As a Crime Prevention Specialist, I'm in the community everyday deploying resources to enhance our quality of life and safety. Within my 25 years of service is experience managing nine-figure budgets and supervising hundreds of workers. I am prepared, qualified, and ready for day one.

As Mayor, I will be available, transparent, and accountable. I will provide the care and respect you deserve from City Hall.

With a commitment to building equity and opportunity for every family, I've delivered results, tackled our toughest challenges, and led Milpitas through our darkest hours. As your Councilmember, I raised the minimum wage, expanded access to affordable housing, and secured record investments for public safety. And when COVID-19 hit, I took swift action to save lives, rolling out robust testing operations and helping Milpitas achieve one of the highest vaccination rates in the region.

But the pandemic disruption has turned back the clock for far too many—widening inequalities for a generation of students, workers, and families. Now, more than ever, Milpitas demands bold leadership and vision to confront these unprecedented challenges.

I'm running for Mayor to lead Milpitas forward and restore confidence in what we can accomplish together. Committed to productive dialogue and collaboration, I won't point fingers or make excuses for failure, and I'll always take ownership of the issues. You'll never think of me as perfect, but you'll always think of me as authentic and true.

Together, we can ensure a safer and stronger Milpitas, one where everyone has a roof over their heads, clean air to breathe, and opportunities to thrive. [anthonyphan.org](http://anthonyphan.org)

Statement of CARMEN MONTANO, candidate for  
Mayor, City of Milpitas

Occupation: Vice Mayor/Educator

Education and Qualifications:

I am honored to serve as your Vice Mayor. Throughout my public service I have demonstrated my dedication, experience and passion for the City of Milpitas. I have been a resident of Milpitas for over 50 years, raised and lived in Milpitas nearly all my life. I understand what it takes to move this city forward by using common sense approaches.

A credentialed teacher with 27 years experience and having served as a MUSD School Board Trustee, I supported the city to help build a new school in the Transit Center. I am committed to school partnerships to serve our students and families, bring good jobs to our community, have safe neighborhoods, and beautify Milpitas.

I graduated from MHS. My children attended public schools in Milpitas and now my grandchildren. I have a vested interest to make sure our quality of life is at the forefront.

I pledge Fiscal responsibility and transparency to make sure your tax dollars are spent wisely.

I have a proven track record of getting things done. I am committed to make Milpitas a destination city, make balanced decisions, and promote affordable housing. Endorsed by our Police and Fire unions. Please vote for Carmen for Mayor of Milpitas.

Dear City of Milpitas,

I, Voltaire Soriben Montemayor, Geologist, Engineer. To be a Mayor, with my best and last chance considering all, depend on you. This 4<sup>th</sup> time is very encouraging. I obtained 400% increase of votes in the previous election. I am having a unique networking to and from multiple directions. We will prove the influx and the hopeful destiny and dream to perform will fall into place. I worked for Arco, Shell, Dollar Tree, FedEx, And Church. I prospered. Milpitas will have more entrepreneurs to expect

My wife retired from Kaiser. Our 3 sons are always wonderful. Two just got married. Daughters-in-law, American and Asian beautiful ladies. My deceased father was in USAFFE when my mother campaigned for him for municipal councilor. I was in the womb.

Milpitas Champions, adapt, overcome and improve. Maintain its best, but look forward to more progress. We will dwell and plan ahead. Fiesta, Parades of Honor, Beauties, Extra Curricular Activities Champions, Exhibits and local products. We will mobilize the progress of PRT, BART-VTA; PRT up the hills, BART-VTA to Levi's. We Are Back. Vaccines to Schools needed. We will resolve issues on crime, homelessness, traffic, rents, and more. Thanks God and All.

I have lived, work and own businesses in Milpitas for over 30 years. I have worked in many Silicon Valley Technology Companies as Engineer and Engineering Management Capacity for many years before starting my Company Ola's Exotic African Coffee, Herbal Coffee and Tea in 1999 still in Milpitas. Previously served on the Board of NAACP Santa Clara County. Was named Mission College 2010 Aluminous of the year. I traveled the globe to understand what Diversity truly mean and how to execute, celebrate and promote meaningful Diversity in Milpitas and how to make Milpitas a destination city. If elected I will also have an executable plan for Milpitas future growth and developments, tackle homelessness, affordable home ownership, I will strongly support our Police, Fire and City Staffs with my open-door policy and understandable and meaningful leadership directions with my team efforts and leadership skills; I will Support our Educational system through partnership of the city with the MUSD; I will support Small Business in promoting Milpitas as friendly city to conduct business, I will encourage transparency in Government. I will also use my experience and connections in Science, Technology and Space Exploration programs to be introduce in our Milpitas Schools.
