1. Introduction

The City of Milpitas (City) Fiscal Year (FY) 2023-24 One Year Annual Action Plan contains the City's plan to carry out housing and community development activities funded by Federal formula grant funds received from the U.S. Department of Housing and Urban Development (HUD), Community Development Block Grant (CDBG) program. This Annual Action Plan covers the second of three program years covered by the City's 2022-2025 Consolidated Plan which was adopted by the Milpitas City Council on June 14, 2022.

The City received an initial Community Development Block Grant (CDBG) entitlement allocation of \$647,982 for funding projects and programs during the 2023 Program Year. On December 30, 2022, the City announced that the application period for FY23-24 applications would be open from January 16, 2023 through February 17, 2023. Staff also designed a simplified application to streamline and increase efficiency of the process. Nineteen (19) simplified applications with requests totaling almost \$1,200,000 were received during the application period. A full breakdown of the simplified applications we plan to fund with CDBG funds is provided in the analysis section below. **[Staff will conduct two public hearings with the community and City Council on April 18 and May 2, 2023 to receive the community's input on priorities.]**

AP-10 Consultation – 91.100, 91.200(b), 91.215(l)

1. Introduction

The Annual Action Plan is a one-year plan which describes eligible projects and activities to be completed accordingly to current priorities outlined in the 2022-2025 Consolidated Plan.

Provide a concise summary of the jurisdiction's activities to enhance coordination between public and assisted housing providers and private and governmental health, mental health and service agencies (91.215(l))

The City will continue to work with organizations to provide programs and services for low- and moderate- income residents. The City participates in a monthly regional CDBG/ Housing Coordinators meeting with all local jurisdictions, which often includes the County Santa Clara Office of Supportive Housing (OSH), to discuss housing cooperation. City staff continues to maintain dialogue with all service providers, public and private to enhance services or if the City can connect service providers for better coordination of service deliveries.

Describe coordination with the Continuum of Care and efforts to address the needs of homeless persons (particularly chronically homeless individuals and families, families with children, veterans, and unaccompanied youth) and persons at risk of homelessness.

The Santa Clara County Office of Supportive Housing is the administrator of the Santa Clara County Continuum of Care (CoC). The CoC is a multi-sector group of stakeholders guiding the implementation of the County's housing and service system to meet the need and prevent and end homelessness. This includes: 1) permanent housing, 2) emergency shelter with outreach and assessment services, 3) transitional housing with support services, and 4) prevention services.

In 2020, the City of Milpitas participated in the preparation of the Community Plan to End Homelessness in Santa Clara County. The Plan identifies strategies to address the needs of homeless persons in the county. On October 6, 2020, the City Council endorsed the 2020-2025 Santa Clara County Community Plan to End Homelessness.

City Staff attends monthly regional CDBG/ Housing Coordinators meetings. Meetings serve the purpose of identifying gaps in homeless services and funding priorities to address homelessness.

Describe consultation with the Continuum(s) of Care that serves the jurisdiction's area in determining how to allocate ESG funds, develop performance standards for and evaluate outcomes of projects and activities assisted by ESG funds, and develop funding, policies and procedures for the operation and administration of HMIS

The City of Milpitas does not receive Emergency Shelter Grant (ESG) funding however the City participates with the CoC to address homeless issues.

We have an established partnership and signed agreement with the County of Santa Clara Office of Supportive Housing (OSH) to provide homeless outreach, assessment, and street-based case management services for unhoused residents.

Introduction

The Consolidated Plan goals represent high priority needs for the City of Milpitas and serve as the basis for the strategic actions the City will use to meet these needs. The City of Milpitas only receives Community Development Block Grant (CDBG) funding. If available and recommended in certain circumstances, the City Council may also augment the funds and contribute from local funds, such as the Housing Authority Fund. All the funds mentioned, are in efforts to serve and improve the lives of low- and moderate-income persons in Milpitas.

Table 7 - Project Information

Describe the reasons for allocation priorities and any obstacles to addressing underserved needs

Allocation priorities are derived through qualitative research such as surveys, public meetings, public hearings and other avenues of resident input. The research has impacted the priority needs that address the most vulnerable population in our communities and the City Council has established the priorities to address those underserved needs. The main obstacle is the lack of available funding and lack of flexibility in CDBG funding. As only 15% of the grant is available for public service activities, this severely limits the use of funds on addressing high priority needs.

Discussion

The City anticipates allocating resources to Terrace Gardens and Rebuilding Together Silicon Valley. Terrace Gardens is a deed-restricted very-low- and low-income affordable housing seniors' rental development. The allocation would be for capital repairs to the common area which would benefit 148 affordable housing units.

Rebuilding Together Silicon Valley assists low-income homeowners with critical repairs. The resources allocated to Rebuilding Together would serve 54 low-income homeowners in Milpitas.

The Home Rehabilitation Loan Program will assist low-income homeowners with critical repairs. The resources allocated to the Home Rehabilitation Loan Program would serve 6 low-income homeowners in Milpitas. Total benefit of these three activities would be 208 units.

AP-60 Public Housing – 91.220(h)

Introduction

The City of Milpitas currently does not have any public housing. However, there is one Project-based Section 8 property in the City, the Sunnyhills Apartments. The Sunnyhills Apartments is a 171-unit development in which 149 units receive project-based Section 8 vouchers. The Project-based Section 8 vouchers subsidize assistance for each unit between the Department of Housing and Urban Development established fair market rent for the area and what the tenant can afford to pay. Its aim is to be competitive with the local market thus incentivizing the owner to rent to low income households.

Actions planned during the next year to address the needs to public housing

This is not applicable to the City of Milpitas as there are no public housing units owned or managed by the Housing Authority of the County of Santa Clara in the City.

AP-65 Homeless and Other Special Needs Activities – 91.220(i)

Introduction

The County of Santa Clara and the City have designated homelessness as a critical issue. In Santa Clara County's 2022 Point-in-Time Census & Survey Comprehensive Report, the survey identified a total of 249 unsheltered homeless persons in Milpitas. Notably, there was an 119% increase in unsheltered homeless persons in Milpitas. Given the complexity of homelessness, interagency and interregional collaboration is crucial in solving the homeless issue.

Describe the jurisdictions one-year goals and actions for reducing and ending homelessness including reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs

November 10, 2020, the City Council approved and authorized staff to enter into an agreement for homeless outreach, assessment, and street-based case management services with Santa Clara County. A new contract was executed in December 2022 to continue homeless outreach and assessment services.

In December 2020, City Council authorized staff to contract with WeHope to provide mobile shower and laundry services in Milpitas. The current contract has an expiration date of June 30, 2022. On April 4, 2023, City Council agenda is a request for gap funding to continue providing mobile laundry and shower services through the end of the service contract. Further funding has been identified to keep these services active for at least the next three fiscal years. Staff anticipates ratifying a new contract with WeHOPE by Summer 2023.

The City's Housing team will continue to explore resources that can further benefit the homeless population in Milpitas.

Addressing the emergency shelter and transitional housing needs of homeless persons

The City of Milpitas will address emergency shelter and transitional housing needs of homeless persons by continuing to coordinate services between the City's Police, Building Safety & Housing, and Public Works Departments and our local service providers, such as LifeMoves. The City's Rent and Mortgage Relief program does allow for emergency housing relief for foster children or homeless families with school age children experiencing temporary homelessness. Funds can be used for obtaining temporary, secure housing (motel, hotel, etc.) followed by additional assistance for rent/deposit relief to move into more permanent housing.

CDBG Funded

- Next Door Solutions to Domestic Violence: Next Door Solutions to Domestic Violence provides client-centered, community-based supportive services for victims of domestic violence and his/her children. The organization also provides undisclosed emergency shelter when requested

and needed by the individual and/or family.

- YWCA Silicon Valley (YWCA): YWCA Silicon Valley empowers women and her children to end racism and violence through offering supportive services for self-improvement and undisclosed emergency shelter for short-term to a longer amount of time if needed. YWCA also provides clients referrals to permanent housing if possible, and available.

Other Funded Programs

- The City of Milpitas has an Emergency Motel Stays Program which provides up to three nights of temporary shelter at a Milpitas hotel for unhoused individuals and families.
- The City's Rent and Mortgage Relief program eligible uses include:
 - Eviction Protection
 - Domestic Violence Relocation
 - Child and Family Homelessness Relief
 - Emergency housing relief for foster children or homeless families with school age children experiencing temporary homelessness. Funds can be used for: obtaining temporary, secure housing (motel, hotel, etc.) and then be used for rent/deposit relief to move into more permanent housing.

Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again

On November 10, 2020, the City Council approved and authorized staff to enter into an agreement for homeless outreach, assessment, and street-based case management services with Santa Clara County. The assessment will place our residents in the Santa Clary County community queue, which is the pathway towards being placed in rapid rehousing, transitional or permeant affordable housing. On March 16, 2022, the City Council approved allocating \$100,000 from the Federal American Rescue Plan Act funding to extend the homeless outreach, assessment, and street-based case management services contract for an additional year.

The City's Rent and Mortgage Relief program allows for emergency housing relief for foster children or homeless families with school age children experiencing temporary homelessness. Funds can be used for obtaining temporary, secure housing (motel, hotel, etc.) followed by additional assistance for rent/deposit relief to move into more permanent housing.

Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth

facilities, and corrections programs and institutions); or, receiving assistance from public or private agencies that address housing, health, social services, employment, education, or youth needs.

Milpitas does not currently have an institutional discharge policy. The City collaborates with the Santa Clara County CoC, who recently updated their Quality Assurance Standards to include a homeless discharge coordination policy.

The County CoC endeavors to provide guidance and resources to those released from institutions. The discharge policy includes access to reentry resource centers where, for example, an VI-SPIDAT could be administered. The VI-SPIDAT measures the acuity level of an individual and is used to inform what type of support or housing needs are required. It also serves as the entry point for access to other resources or supportive services, such as residential or outpatient treatment, transitional housing, or emergency shelter access.

CDBG and City Local Funds

- Rent Relief Program: The City's Rent Relief program began in 2019 and expanded to a Rent and Mortgage Relief program in 2021. The rent relief portion assists with rent/deposit relief, eviction protection, domestic violence relocation, child and family homelessness relief, and section 8 good faith deposits.
- Child Advocates of Silicon Valley: Child Advocates connect court appointed special advocates (CASAs) to foster children. These volunteers must make a commitment to the children for a long-term, many for his or her entire life. The consistent support of the CASA is often the only adult who has steadily remained with the child, providing crucial mentorship.
- Seniors Adults Legal Assistance (SALA): SALA is committed to providing free-legal services to seniors. Legal services that SALA provides ranges from: public benefits, long-term care, alternatives to institutionalization, elder abuse, long-term care insurance, incapacity planning, probate, simple wills and housing – related to Landlord-Tenant issues. Often, many seniors do not know his or her housing rights or sign over the will of their house without knowing, and with fixed income, many are unable to provide legal help. SALA provides legal help free of charge for these low to extremely low-income seniors.

AP-75 Barriers to affordable housing – 91.220(j)

Introduction:

Along with other jurisdictions in Santa Clara County, the City of Milpitas is facing many obstacles in creating more affordable housing. The many constraints that the City is facing is the limited amount of developable land, government constraints, infrastructure and public facilities constraints, environmental, housing for persons with disabilities, and financing and construction costs.

Actions it planned to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment

Resolution No. 8523

The City adopted Resolution No. 8523 on February 2, 2016, which recognizes homelessness as a crucial problem in the County and will help contribute to future affordable housing projects that will house homeless.

Affordable Housing Ordinance

On June 12, 2018, the City Council adopted Affordable Housing Ordinance No. 297 which requires that any new development with 10 or more units must include 15% of the units these units as affordable. The ordinance applies to both rental and ownership developments. In January 2022, Council approved changes to the Affordable Housing Ordinance to encourage more on-site affordable housing production. Council also adopted changes to add clarity and consistency throughout the ordinance.

Density Bonus Ordinance

To attract developers to build affordable units, the Density Bonus Ordinance will allow developers the ability to build above their permitted densities in permitted zoning districts in exchange for the construction of affordable units.

Below Market Rate Ownership

The City manages a Below Market Rate (BMR) Ownership program for first-time, income-qualified homebuyers. Once a unit from the current BMR housing stock becomes available, a qualified applicant procured by lottery will have the ability to purchase a home in Milpitas at one of the various

developments throughout the City.

Fair Housing

Milpitas provides CDBG funds to Project Sentinel. Project Sentinel is a reputable organization that provides expertise in fair housing and tenant-landlord dispute. Services include information, referrals, community outreach and education in several languages other than English, investigation, and resolving fair housing complaints. In addition, they provide education and outreach to property owners, and property management to become proactive in their housing policies.

Discussion:

The City is in the process of completing its Housing Element, which will include an update to the Affirmatively Furthering Fair Housing. City Council adopted the Housing Element/AFFH adopted in January 2023. The City has submitted their draft to HCD and hopes to have certification in the coming weeks. Below is a tentative schedule of events for the adoption of the Housing Element:

- Public Review Draft Period: August – October 2022
- HCD Review Draft Period: October – December 2022
- Final Draft: January 2023
- Planning Commission and City Council Hearings: January 2023
- Adoption by City Council: January 2023
- Submitted to HCD for certification: March 2023

As of this writing, the city is expected to receive approval on its 6th Cycle Housing Element by April 2023.

AP-85 Other Actions – 91.220(k)

Introduction:

The most significant obstacle to addressing the underserved needs for fiscal year 2023-2024 is the lack of sufficient federal, state, and local funds to carry out all the necessary programs, activities, and projects.

Actions planned to address obstacles to meeting underserved needs

The diminishing amount of funds continues to be the most significant obstacle to addressing the needs of underserved populations. To address this, the City supplements its CDBG funding with other resources and funds, such as:

- The City of Milpitas Affordable Housing Fund is used primarily to increase the number of new affordable housing units. It is funded through fees collected from developers in accordance with Affordable Housing Ordinance 297. As an example, the City used these funds to initially fund the Pilot Rent Relief Program the City established in November 2019.
- The City's provides loans on an ongoing, as qualified basis for BMR applicants to qualify for purchasing an available BMR unit.
- Measure A Affordable Housing Bond was approved by voters in November 2016 that approved \$950 million dollars for the County to address housing needs for the most vulnerable residents, those in the extremely low-income households.
- American Rescue Plan Act (ARPA) funds have been allocated to fund the homeless outreach and assessment program for one year, as well as fund the Rent and Mortgage Relief Program.
- The City's Emergency Motel Stays Program has been funded through donations Vice Mayor Chua received. The Vice Mayor is working on securing donations to continue the funding of the program.
- In February 2023, the City received its approval letter for its Permanent Local Housing Allocation (PLHA) entitlement. The grant will help cover the homeless outreach and assessments services for the next three years. following resolutions/ordinances:

Resolution No. 8523

The City adopted Resolution No. 8523 on February 2, 2016, which recognizes homelessness as a crucial problem in the County and will consider contributing to future affordable housing projects that will house the homeless. The City is in discussion to create its first 100% permanent supporting housing project in Milpitas.

Affordable Housing Ordinance

On June 12, 2018, the City Council adopted Affordable Housing Ordinance No. 297 which requires that any new development with 10 or more units must include 15% of the units these units as affordable. The ordinance applies to both rental and ownership developments. In January 2022, Council approved changes to the Affordable Housing Ordinance to encourage more on-site affordable housing production. Council also adopted changes to add clarity and consistency throughout the ordinance.

Density Bonus Ordinance

To attract developers to build affordable units, the Density Bonus Ordinance will allow developers the ability to build above their permitted densities in permitted zoning districts in exchange for the provision of affordable units in the development.

Below Market Rate Ownership

The City manages a Below Market Rate (BMR) Ownership program for first-time, income-qualified homebuyers. Once a unit from the current BMR housing stock becomes available, the homebuyer will have the ability to purchase a home in Milpitas at one of the various developments throughout the City. For qualified households, the City also provides a loan of up to \$50,000.

In addition, projects undergoing rehabilitation, under the City's Rehabilitation, provides technical assistance and abatement of lead-based paints.

Actions planned to reduce the number of poverty-level families

The City of Milpitas will follow these actions:

- Work with non-profit housing developers to fund and provide more affordable housing opportunities to address the homeless problem and needs of very low and low-income households.
- Provide funding and supportive services to prevent very low-income persons and families from becoming homeless and assist them in ending the cycle of homelessness.

- Per Section 3, if there are HUD funded projects that can create direct economic opportunities must take every effort to recruit, target and directed towards low and very low-income residents and businesses.

Actions planned to develop institutional structure

The City is striving to improve intergovernmental and private sector cooperation to synergize efforts and resources and develop new revenues for community service needs and the production of affordable housing. Collaborative efforts include:

- Regular monthly meetings between entitlement jurisdictions at the CDBG Coordinators Meeting

and Regional Housing Working Group

- Joint jurisdiction Request for Proposals and project review committees
- Coordination on project management for projects funded by multiple jurisdictions.

Actions planned to enhance coordination between public and private housing and social service agencies

The City benefits from a strong jurisdiction and region-wide network of housing and community development partners, such as the County and the CoC. To improve intergovernmental and private sector cooperation, the City will continue to participate with other local jurisdictions and developers in sharing information and resources.
