

City of Milpitas  
Veteran of the Year Award 2022  
Review Instructions

Thank you for participating in the Veteran of The Year Award Selection! Please use the following instructions to help you review and rate the award nominations.

Please rate each nominee in the four Accomplishment Categories on a scale of 1-5. 1 being the lowest possible score and 5 being the highest.

***Civic and Community Service***

The ideal nominee demonstrates participation and volunteerism in benefit of the community. The nominee would show leadership in their volunteer activities and endeavors. Experience in this category can be as an individual or as part of an organization. *(Job related activities not to be considered)*

***Business or Professional Service Accomplishments***

The ideal nominee demonstrates achievements in the professional sector. The nominees' accomplishments can be in the private sector or in their branch of service.

***Charitable or Religious Service***

The ideal nominee demonstrates service and/or membership in a charitable service organization and/or church. The nominees' achievements would show a positive, measurable outcome for the identified organizations targeted demographic, or congregation.

***Educational/School Contribution/Service***

The ideal nominee would have volunteered their time to the education and betterment of others through teaching, conducting seminars, organizing information displays, motivational speeches, etc. in the community.
