DRAFT ACTION PLAN

Fiscal Year 2024-2025

Draft for June 18, 2024

FY 2024-2025 Annual Action Plan

Executive Summary

AP-05 Executive Summary - 24 CFR 91.200(c), 91.220(b)

1. Introduction

The City of Milpitas (City) is an entitlement city that receives Community Development Block Grant (CDBG) funding from the U.S. Department of Housing and Urban Development (HUD).

CDBG funds address community and economic development needs for low- and moderate-income residents through public services and capital improvement projects. At least seventy percent (70%) of gross funding is to be utilized to serve low- and moderate-income individuals and households.

The City is required to develop a three to five-year Consolidated Plan outlining the strategies used to meet the variety of housing and non-housing community needs. For each of the three to five years covered by the Consolidated Plan, HUD requires the City to prepare a one-year Action Plan that identifies programs, projects, and CDBG funding levels undertaken any given year. This Annual Action Plan (AAP) covers the third and final program years covered by the City's 2022-25 Consolidated Plan which was adopted by the Milpitas City Council on June 14, 2022.

The City's AAP covers the period from July 1, 2024, to June 30, 2025 (HUD's Program Year 2024). The City's FY 2024-25 AAP reports on the status of needs and outcomes the City expects to achieve in the coming year. The activities mentioned in the Annual Action Plan are based on current priorities. The 2022-25 Consolidated Plan is supported by the AAP.

2. Summarize the objectives and outcomes identified in the Plan

This could be a restatement of items or a table listed elsewhere in the plan or a reference to another location. It may also contain any essential items from the housing and homeless needs assessment, the housing market analysis, or the strategic plan.

The AAP provides a snapshot of how the City will utilize its CDBG allocation to meet the needs of the City's low- and moderate-income individuals and the most vulnerable populations.

The objectives and outcomes identified in the 2022-2025 Consolidated Plan are to be achieved with the activities and programs mentioned in the Annual Action Plan. The Annual Action Plan works towards accomplishing the following priorities to meet the housing and community development needs in Milpitas:

- Affordable Housing Rental Rehabilitation
- Assist Microenterprises and Small Businesses
- Community Funding/Public Services
- Fair Housing
- Maintain and Preserve Existing Housing
- New Affordable Housing
- Public Improvements including Accessibility and Improving Public Facilities
- Public Services for Children and Youth
- Public Services for Domestic Violence Support
- Public Services for Residents at Risk of Eviction

3. Evaluation of past performance

This is an evaluation of past performance that helped lead the grantee to choose its goals or projects.

The Consolidated Annual Performance and Action Report (CAPER) reports on the success of the City's Annual Action Plan. The CAPER assists in assessing the annual performance of the AAP with meeting its overall three-to-five-year Consolidated Plan priorities.

The last CAPER submitted to HUD was for FY 2022-23 (HUD's Program Year 2022).

The following are the highlights of the accomplishments reported in support of the Consolidated Plan:

Community Funding/Public Services: A total of 174 individuals benefitted from a variety of public services provided by four non-profit organizations.

Maintain and Preserve Existing Housing: Rebuilding Together Silicon Valley (RTSV) preserves affordable housing by providing safety, energy efficiency, accessibility repairs, and improvements to qualified low-income homeowners and renters. RTSV made housing repairs for 27 Milpitas households (26 homeowners and 1 renter).

AP-10 Consultation – 91.100, 91.200(b), 91.215(I)

1. Introduction

The FY 2024-25 AAP is a one-year plan that describes eligible projects and activities to be completed according to current priorities outlined in the 2022-25 Consolidated Plan. The AAP was prepared by Housing staff with input from a variety of local and regional stakeholders.

Provide a concise summary of the jurisdiction's activities to enhance coordination between public and assisted housing providers and private and governmental health, mental health and service agencies (91.215(I))

The City will continue to work with organizations to provide programs and services for low- and moderate-income residents. The City participates in a monthly regional CDBG/ Housing Coordinators meeting with all local jurisdictions, which often includes the County Santa Clara Office of Supportive Housing (OSH), to discuss housing cooperation. City staff continues to maintain dialogue with all service providers, public and private to enhance services and connect with service providers for better coordination of service deliveries.

Describe coordination with the Continuum of Care and efforts to address the needs of homeless persons (particularly chronically homeless individuals and families, families with children, veterans, and unaccompanied youth) and persons at risk of homelessness.

The Santa Clara County Office of Supportive Housing is the administrator of the Santa Clara County Continuum of Care (CoC). The CoC is a multi-sector group of stakeholders guiding the implementation of the County's housing and service system to meet the needs and prevent and end homelessness. This includes: 1) permanent housing, 2) emergency shelter with outreach and assessment services, 3) transitional housing with support services, and 4) prevention services.

In 2020, the City of Milpitas participated in the preparation of the Community Plan to End Homelessness in Santa Clara County. The Plan identifies strategies to address the needs of homeless people in the county. On October 6, 2020, the City Council endorsed the 2020-2025 Santa Clara County Community Plan to End Homelessness.

The City is currently looking for a partner in homeless outreach. We plan to have a combined in-house and third-party approach to end homelessness. The City is projected to onboard a new homeless outreach provider prior to the start of the new fiscal year. In alignment with City Council priorities, our new outreach provider will be dedicated to overseeing the City's current unhoused response and adding capacity to further enhance unhoused and at-risk resident services.

Additionally, City Staff attend monthly regional CDBG/ Housing Coordinators meetings. Meetings serve the purpose of identifying gaps in homeless services and funding priorities to address homelessness

Describe consultation with the Continuum(s) of Care that serves the jurisdiction's area in determining how to allocate ESG funds, develop performance standards for and evaluate outcomes of projects and activities assisted by ESG funds, and develop funding, policies and procedures for the operation and administration of HMIS

The City of Milpitas does not receive Emergency Shelter Grant (ESG) funding however the City participates with the CoC to address homeless issues.

AP-35 Projects – 91.220(d)

Introduction

The Consolidated Plan goals represent high-priority needs for the City of Milpitas and serve as the basis for the strategic actions the City will use to meet these needs. The City of Milpitas only receives Community Development Block Grant (CDBG) funding. If available and recommended in certain circumstances, the City Council may also augment the funds and contributions from local funds, such as the Housing Authority Fund. All the funds mentioned, are in efforts to serve and improve the lives of low- and moderate-income persons in Milpitas.

Table 7 - Project Information

Describe the reasons for allocation priorities and any obstacles to addressing underserved needs

Allocation priorities are derived through qualitative research such as surveys, public meetings, public hearings, and other avenues of resident input. The research has impacted the priority needs that address the most vulnerable population in our communities and the City Council has established the priorities to address those underserved needs. The main obstacle is the lack of available funding and lack of flexibility in CDBG funding. As only 15% of the grant is available for public service activities, this severely limits the use of funds on addressing high-priority needs.

Affordable Housing

AP-55 Affordable Housing – 91.220(g)

Introduction

The City adopted an Affordable Housing Ordinance No. 297 on June 12, 2018. The Affordable Housing Ordinance requires that all new developments over 10 units must construct 15% of the total number of dwelling units to be affordable. For example, a developer wants to build an apartment complex with 20 units. A total of 3 units (15%) will need to be deemed affordable to comply with the City's Affordable Housing Ordinance. On March 5, 2019, the City established residential and non-residential affordable housing fees. On February 1, 2022, the City Council approved changes to the Affordable Housing Ordinance to encourage more on-site housing construction, to help the City meet its Regional Housing Needs Allocation (RHNA) goals, and to add clarity and consistency throughout the ordinance.

In addition to our Affordable Housing Ordinance, the City typically allocates funding resources to Rebuilding Together Silicon Valley Independent and Terrace Gardens. These organizations help support low-income homeowners and renters and seniors stay housed.

Discussion

The City anticipates allocating resources to Rebuilding Together Silicon Valley and Terrace Gardens.

Rebuilding Together Silicon Valley assists low-income homeowners and renters with critical repairs. The resources allocated to Rebuilding Together would serve 26 low-income homeowners and renters in Milpitas.

Terrace Gardens is a deed-restricted very-low- and low-income affordable housing seniors' rental development. The allocation would be for capital repairs to the common area which would benefit 148 affordable housing units.

The Home Rehabilitation Loan Program will assist low-income homeowners with critical repairs. The resources allocated to the Home Rehabilitation Loan Program would serve 6 low-income homeowners in Milpitas. Total benefit of these three activities would be 180 units.

AP-60 Public Housing – 91.220(h)

Introduction

The City of Milpitas currently does not have any public housing. However, there is a project-based Section 8 property in the City, the Sunnyhills Apartments. The Sunnyhills Apartments is a 171-unit development in which 149 units receive project-based Section 8 vouchers. The project-based Section 8 vouchers subsidize assistance for each unit with the Department of Housing and Urban Development, establishing fair market rent for the area and what the tenant can afford to pay. The goal is to be competitive with the local market thus incentivizing the owner to rent to low-income households.

Actions planned during the next year to address the needs to public housing

Not applicable. There is no public housing within the city.

Actions to encourage public housing residents to become more involved in management and participate in homeownership

AP-65 Homeless and Other Special Needs Activities – 91.220(i)

Introduction

The County of Santa Clara and the City have designated homelessness as a critical issue. In Santa Clara County's 2023 Point-in-Time Census & Survey Comprehensive Report, the survey identified a total of 142 unsheltered homeless persons in Milpitas. Notably, there was a 48% decrease in unsheltered homeless persons in Milpitas. The decrease demonstrates that the homelessness crisis in the City is improving. With that being said, the City strives to solve and provide resources to individuals experiencing homelessness. Given the complexity of homelessness, interagency and interregional collaboration is crucial in solving the homeless issue.

Describe the jurisdictions one-year goals and actions for reducing and ending homelessness including

Reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs

November 10, 2020, the City Council approved and authorized staff to enter into an agreement for homeless outreach, assessment, and street-based case management services with Santa Clara County. A new contract was executed in December 2022 to continue homeless outreach through December 2023. As of April 2024, the City is preparing to launch a Request for Proposal (RFP) to enter into a new contract for homeless outreach and assessments.

In December 2020, the City Council authorized staff to contract with WeHOPE to provide mobile shower and laundry services in Milpitas. In June 2023, the City Council approved to fund WeHOPE for an additional 3 years.

The City's Housing team will continue to explore resources that can further benefit the homeless population in Milpitas.

Addressing the emergency shelter and transitional housing needs of homeless persons

The City of Milpitas will address emergency shelter and transitional housing needs of homeless persons by continuing to coordinate services between the City's Police, Building Safety & Housing, and Public Works Departments and our local service providers, such as LifeMoves. The City's Rent and Mortgage Relief program does allow for emergency housing relief for foster children or homeless families with school age children experiencing temporary homelessness. Funds can be used for obtaining temporary,

secure housing (motel, hotel, etc.) followed by additional assistance for rent/deposit relief to move into more permanent housing.

CDBG Funded

- Next Door Solutions to Domestic Violence: Next Door Solutions to Domestic Violence provides client-centered, community-based supportive services for victims of domestic violence and his/her children. The organization also provides undisclosed emergency shelter when requested and needed by the individual and/or family.
- YWCA Silicon Valley (YWCA): YWCA Silicon Valley empowers women and her children to end racism and violence through offering supportive services for self-improvement and undisclosed emergency shelter for short-term to a longer amount of time if needed. YWCA also provides clients referrals to permanent housing if possible, and available.

Other Funded Programs

- The City of Milpitas has an Emergency Motel Stays Program which provides up to three nights of temporary shelter at a Milpitas hotel for unhoused individuals and families.
- The City's Rent and Mortgage Relief program eligible uses include:
 - Eviction Protection
 - Domestic Violence Relocation
 - Child and Family Homelessness Relief
 - Emergency housing relief for foster children or homeless families with school-age children experiencing temporary homelessness. Funds can be used for obtaining temporary, secure housing (motel, hotel, etc.) and then be used for rent/deposit relief to move into more permanent housing.

Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again

The City's Rent and Mortgage Relief program allows for emergency housing relief for foster children or homeless families with school-age children experiencing temporary homelessness. Funds can be used for obtaining temporary, secure housing (motel, hotel, etc.) followed by additional assistance for rent/deposit relief to move into more permanent housing.

Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: being discharged from publicly

funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth facilities, and corrections programs and institutions); or, receiving assistance from public or private agencies that address housing, health, social services, employment, education, or youth needs.

Milpitas does not currently have an institutional discharge policy. The City collaborates with the Santa Clara County CoC, who recently updated their Quality Assurance Standards to include a homeless discharge coordination policy.

The County CoC endeavors to provide guidance and resources to those released from institutions. The discharge policy includes access to reentry resource centers where, for example, an VI-SPIDAT could be administered. The VI-SPIDAT measures the acuity level of an individual and is used to inform what type of support or housing needs are required. It also serves as the entry point for access to other resources or supportive services, such as residential or outpatient treatment, transitional housing, or emergency shelter access.

CDBG and City Local Funds

- **Rent Relief Program:** The City's Rent Relief program began in 2019 and expanded to a Rent and Mortgage Relief program in 2021. The rent relief portion assists with rent/deposit relief, eviction protection, domestic violence relocation, child and family homelessness relief, and section 8 good faith deposits.
- **Workforce Housing Rental Assistance Program:** Through a California Housing and Community Development (HCD) grant known as the Permanent Local Housing Allocation (PLHA), the City of Milpitas will be funding 50 households at or below 30% of the Area Median Income with a rental subsidy of \$645 per month for 24 months.
- **Child Advocates of Silicon Valley:** Child Advocates connect court-appointed special advocates (CASAs) to foster children. These volunteers must make a commitment to the children for a long-term, many for his or her entire life. The consistent support of CASA is often the only adult who has steadily remained with the child, providing crucial mentorship.
- **Seniors Adults Legal Assistance (SALA):** SALA is committed to providing free legal services to seniors. Legal services that SALA provides range from public benefits, long-term care, alternatives to institutionalization, elder abuse, long-term care insurance, incapacity planning, probate, simple wills, and housing – related to Landlord-Tenant issues. Often, many seniors do not know his or her housing rights or sign over the will of their house without knowing, and with

fixed income, many are unable to provide legal help. SALA provides legal help free of charge for these low to extremely low-income seniors.

AP-75 Barriers to affordable housing – 91.220(j)

Introduction:

Along with other jurisdictions in Santa Clara County, the City of Milpitas is facing many obstacles in creating more affordable housing. The many constraints that the City is facing are the limited amount of developable land, government constraints, infrastructure and public facilities constraints, environmental, and financing and construction costs.

Actions it planned to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment

Resolution No. 8523

The City adopted Resolution No. 8523 on February 2, 2016, which recognizes homelessness as a crucial problem in the County and will help contribute to future affordable housing projects that will house the homeless.

Affordable Housing Ordinance

On June 12, 2018, the City Council adopted Affordable Housing Ordinance No. 297 which requires that any new development with 10 or more units must include 15% of the units these units as affordable. The ordinance applies to both rental and ownership developments. In January 2022, the City Council approved changes to the Affordable Housing Ordinance to encourage more on-site affordable housing production.

Density Bonus Ordinance

To attract developers to build affordable units, the Density Bonus Ordinance will allow developers the ability to build above their permitted densities in permitted zoning districts in exchange for the construction of affordable units.

Below Market Rate Home Ownership

The City manages a Below Market Rate (BMR) Home Ownership program for first-time, income-qualified homebuyers. Once a unit from the current BMR housing stock becomes available, a qualified applicant procured by lottery will have the ability to purchase a home in Milpitas at one of the various developments throughout the City.

Fair Housing

Milpitas provides CDBG funds to Project Sentinel. Project Sentinel is a reputable organization that provides expertise in fair housing and tenant-landlord disputes. Services include information, referrals, community outreach and education in several languages other than English, investigation, and resolving

fair housing complaints. In addition, they provide education and outreach to property owners, and property management to become proactive in their housing policies.

Discussion:

The California Department of Housing and Community Development (HCD) certified the City's 2023-2031 Housing Element on May 17, 2023. The adopted 2023-2031 Housing Element states the following actions to remove or ameliorate barriers to affordable housing: build and approve accessory dwelling (ADU) units and expand incentives for ADU production, work with non-profits to rehabilitate mobile and single-family homes, landlord-tenant mediation services, fair housing enforcement, outreach, and education, preservation of at-risk housing, mobile home rent control, analyze impact fees, continue the production of below market rate units and more.

AP-85 Other Actions – 91.220(k)

Introduction:

This section discusses efforts in addressing the underserved needs, expanding and preserving affordable housing, reducing lead-based paint hazards, developing an institutional structure for delivering housing and community development activities, and planning to enhance coordination between public and private housing and social services agencies.

Actions planned to address obstacles to meeting underserved needs

The most significant obstacle to addressing the underserved needs for FY 2024-25 is the lack of sufficient federal, state, and local funds to carry out all the necessary programs, activities, and projects.

The City contributes to meeting underserved needs with other resources and funds, such as:

- The City of Milpitas Affordable Housing Fund is used primarily to increase the number of new affordable housing units. It is funded through fees collected from developers by Affordable Housing Ordinance 297. As an example, the City used these funds to initially fund the Pilot Rent Relief Program the City established in November 2019 and it currently uses these funds for the City's Emergency Motel Stay Program.
- The City provides loans on an ongoing, as-qualified basis for BMR applicants to qualify for purchasing an available BMR unit.
- Measure A Affordable Housing Bond was approved by voters in November 2016 approving 950 million dollars for the County to address housing needs for the most vulnerable residents, those in extremely low-income households.
- American Rescue Plan Act (ARPA) funds have been allocated to the Rent Relief Program which assists low-and moderate-income individuals with up to \$5,000.
- In February 2023, the City received its approval letter for its Permanent Local Housing Allocation (PLHA) entitlement. The grant will help cover the homeless outreach and assessment services for the next three years. PLHA will also allow the city to create a Workforce Housing Rental Assistance Program that would offset rent paid by the tenant for a period of greater than 6 months. To qualify, tenants must have a household income of 30% AMI or below.
- In September 2022, the City Council accepted Assemblymember Lee's one-time state funding request, including \$1,500,000 for homelessness prevention and unhoused services. While the allocation of the homeless prevention and unhoused programs will be funded, the original request included the continuation of the mobile shower and laundry services, additional rent relief funds, and the establishment of a Milpitas Resource Center.

Actions planned to foster and maintain affordable housing

The City has taken proactive steps to help decrease the barriers to affordable housing through the following resolutions/ordinances:

Resolution No. 8523

The City adopted Resolution No. 8523 on February 2, 2016, which recognizes homelessness as a crucial problem in the County and will consider contributing to future affordable housing projects that will house the homeless. The City is in discussion to create its first 100% permanent supporting housing project in Milpitas.

Affordable Housing Ordinance

On June 12, 2018, the City Council adopted Affordable Housing Ordinance No. 297 which requires that any new development with 10 or more units must include 15% of the units these units as affordable. The ordinance applies to both rental and ownership developments. In January 2022, the City Council approved changes to the Affordable Housing Ordinance to encourage more on-site affordable housing production. The City Council also adopted changes to add clarity and consistency throughout the ordinance.

Density Bonus Ordinance

To attract developers to build affordable units, the Density Bonus Ordinance will allow developers the ability to build above their permitted densities in permitted zoning districts in exchange for the provision of affordable units in the development.

Below Market Rate Ownership

The City manages a Below Market Rate (BMR) Home Ownership program for first-time, income-qualified homebuyers. Once a unit from the current BMR housing stock becomes available, the homebuyer will have the ability to purchase a home in Milpitas at one of the various developments throughout the City. For qualified households, the City also provides a loan of up to \$50,000.

Fair Housing

Milpitas provides CDBG funds to Project Sentinel. Project Sentinel is a reputable organization that provides expertise in fair housing and tenant-landlord disputes. Services include information, referrals, community outreach and education in several languages other than English, investigation, and resolving fair housing complaints. In addition, they provide education and outreach to property owners, and property management to become proactive in their housing policies.

Actions planned to reduce lead-based paint hazards

The County of Santa Clara has received funding from the State's Department of Health Service and the Federal Government for the Center for Disease Control to implement a Childhood Lead Poisoning Prevention Program. The funded programs include community outreach screens, case management, and public education to inform low-to-moderate income and older communities. The project will then follow

up with environmental testing, lead-based education, blood-lead testing for children, hazard reduction grants, and follow up with monitoring and testing.

Milpitas has adopted a Lead-Based Paint Management Plan which complies with HUD-Based Paint regulations, which outlines the required states of abatement and remediation for rehabilitation projects. In addition, the City publicizes and identifies lead-based hazards and older residential projects through its Code Enforcement Division and Building Department.

Home rehabilitation projects that are federally funded also require testing for lead-based paints. Residential structures not meeting lead-based paint regulations will go through the process of abatement and remediation of lead-based hazards.

Actions planned to reduce the number of poverty-level families

The City of Milpitas will follow these actions:

- Work with non-profit housing developers to fund and provide more affordable housing opportunities to address the housing crisis and needs of very low and low-income households.
- Provide funding and supportive services to prevent very low-income persons and families from becoming homeless and assist them in ending the cycle of homelessness. Programs such as the Rent Relief Program and the Workforce Housing Rental Assistance Program (WHRAP) help poverty-level families stay housed.
- Provide funding for a variety of services and referrals to assist people in obtaining access to public assistance to prevent poverty. This is typically done through funding various non-profit organizations.

Actions planned to develop institutional structure

The City is striving to improve intergovernmental and private sector cooperation to synergize efforts and resources and develop new revenues for community service needs and the production of affordable housing. Collaborative efforts include:

- Regular monthly meetings between entitlement jurisdictions at the CDBG Coordinators Meeting and Regional Housing Working Group
- Joint jurisdiction Request for Proposals and project review committees
- Coordination on project management for projects funded by multiple jurisdictions.

Actions planned to enhance coordination between public and private housing and social service agencies

The City benefits from a strong jurisdiction and region-wide network of housing and community development partners, such as the County and the CoC. To improve intergovernmental and private sector cooperation, the City will continue to participate with other local jurisdictions and developers in

sharing information and resources.
