Committed to building equity and opportunity for every family, I've delivered results, tackled our toughest challenges, and led Milpitas through our darkest hours. As your Councilmember, I raised the minimum wage, expanded access to affordable housing, and invested in public safety and infrastructure. Despite this progress, the pandemic recession has turned back the clock, widening inequalities for a generation of students, workers, and families. Meanwhile, the mess at City Hall has eroded trust in our local government.

The old ways of the past just aren't cutting it anymore. Milpitas deserves better. We need bold leadership and fresh ideas to make real change. That's why I'm running for Mayor.

Raising my two daughters with my wife here in Milpitas, I want a future where every child feels safe and every family has opportunities to thrive. Let's build a Milpitas that works for everyone, not just the few. Let's take real action on homelessness with solutions instead of bandaids. Let's get money out of politics and restore trust in local government with real accountability and transparency. Let's tackle the climate crisis and give future generations a Milpitas to believe in.

Let's seize this moment together. The time for change is now.
