

ARGUMENT IN FAVOR OF MEASURE "J"
City of Milpitas Sales Tax Measure

Vote Yes on J to maintain our high quality of life and keep Milpitas safe and clean, without raising taxes!

Yes on J repairs Milpitas' potholes and cracked sidewalks, so we can continue tackling our severe backlog of repair projects! **Yes on J** makes our streets and sidewalks safer for us to drive around and our children to get to school.

Yes on J simply continues locally controlled funding voters already approved for essential services and programs, all without raising taxes! By law, County and State politicians can't take any of our Measure J funds, every penny must be spent to benefit local Milpitas residents.

We need **Yes on J** to maintain rapid response times for 911 calls to police, fire, and paramedics which are critical for stopping crime, protecting victims, and saving lives. **Yes on J** maintains our neighborhood patrols and officers on the street to keep Milpitas safe for our families and businesses.

Yes on J allows Milpitas to maintain our fiscal stability and will support:

- Maintaining 911 emergency response services
- Repairing streets and fixing potholes
- Maintaining police protection and tracking/investigating crime
- Addressing homeless encampments
- Maintaining fire protection services
- Maintaining neighborhood parks/public infrastructure

Strict accountability provisions ensure Measure J funds are used efficiently, effectively, and for our community priorities. It continues being part of annual financial audits, full public disclosure of spending, and funds are reviewed by a local citizen's oversight committee.

Here's what Measure J is not:

- Measure J is not a tax increase.
- Measure J is not a tax on your home or property.
- Measure J is not applied to food purchased as groceries or prescription medications.

Milpitas police officers, firefighters, business leaders, and neighbors say: **Yes on J** to keep our community a great place to live!

SECTION 4: LIST OF MEASURE SUPPORTERS OR OPPONENTS TO APPEAR ON THE BALLOT LABEL

[Assembly Bill 1416](#) was signed by the Governor and is effective as of January 1, 2023. This legislation allows primary argument signers to provide a list of individuals, associations, nonprofit organizations, or businesses that are signers or are listed within the text of the argument who support or oppose a ballot measure to be listed under the ballot label. If you wish to submit a list of supporters or opponents, please complete Section 4 by providing a list of names of the individuals, associations, nonprofit organizations, and businesses to be listed as supporters or opponents. Please refer to page 9 Section 6: Appendix A for additional guidelines regarding supporters and opponents. A sample ballot label is provided on page 10, in Section 6, Appendix B.

Every individual, association, nonprofit organization, or business listed as a supporter or opponent must sign the consent form included in Section 5.

Each supporter/opponent shall be separated by a semicolon. An individual, association, nonprofit organization, or business shall not be listed unless they support or oppose the measure and meet the criteria specified in this form.

Any association, nonprofit organization, or business listed as a supporter or opponent (1) must have existed for at least four years, and (2) must not have been originally created as a committee described in Government Code section 82013.

The list of all supporters/opponents shall be listed in the order they will appear on the ballot and may not exceed 125 characters in length.

To calculate the 125-character limit, please count spaces between and before names, as well as the semicolons and spaces. The list must be provided with the appropriate spacing for all names and titles to ensure translations into other languages read properly. Please do not count the period at the end of the list as part of the character limit. Use the worksheet below to ensure your character count meets the required criteria.
