## MILPITAS COMMUNITY THEATRE

Milpitas has expanded its longtime theatre program to welcome performers of all ages and offer a wider variety of productions. Most performances are held in the Milpitas Community Center auditorium. Shows are selected by a committee that includes participants, volunteers, and residents who enjoy theatre. The City contracts with theatre professionals to direct, choreograph and provide vocal direction for our productions. We welcome resumes from interested, qualified individuals. Performers of all abilities are welcome to audition. For youth productions, those who are cast pay a production fee that helps offset the costs of the production. Milpitas Assistance Program (MAP) customers may use their discount toward this program.

Credit balances of \$15 and over become City property if they are not claimed after three years. Every year in late Spring, the City publishes a notice in the *Milpitas Post* of expiring unclaimed credits of \$15 and over. Once published, customers have 60 days to file a claim.
