# City of Milpitas

## Qualified Backflow Prevention Assembly Tester List

**Expires: 10/31/2026**

This listing is provided in accordance with the Cross-Connection Control Policy Handbook adopted by the State Water Resources Control Board, effective July 1, 2024.

The testers listed here have met the AWWA's Certified General Backflow Prevention Assembly Tester requirements and are qualified to test backflow prevention assemblies within the City of Milpitas service area. The City is in no way endorsing any of the following services and does not guarantee their work. This list is updated periodically and may change at the City's discretion.

| Company Name                                  | Phone                            | Email                                                                                              | City          |
|-----------------------------------------------|----------------------------------|----------------------------------------------------------------------------------------------------|---------------|
| 1-Hour Drain                                  | (888) 603-6886                   | <a href="mailto:info@1hourdrain.com">info@1hourdrain.com</a>                                       | San Jose      |
