

# MEMORANDUM

---

Milpitas Police Department

**DATE:** October 11, 2018

**TO:** Honorable Mayor and City Council

**THROUGH:** Julie Edmonds-Mares, City Manager *JEM*

**FROM:** Armando Corpuz, Chief of Police *AC*

**SUBJECT:** Police Department's Armored MedEvac Vehicle

---

Today, members of our staff accepted delivery of the Police Department's armored Lenco MedEvac vehicle. The vehicle's construction completion was expected to occur later this year, but Lenco was able to complete the project ahead of schedule.

Our City fleet maintenance will work with our staff to inspect the vehicle and add necessary equipment and vehicle markings. In addition, our staff will begin vehicle operations training.

The Police Department's community outreach over the deployment policy has gone well and, next week, I will have a completed draft deployment policy. I will email the Public Safety and Emergency Preparedness Commission the draft policy and request their feedback. I expect to present the policy to the City Council at the November 20, 2018 meeting.

In the near future, we will invite you to the Police Department to see the vehicle and provide you an opportunity to review its capabilities.

On behalf of the men and women of the Milpitas Police Department, I want to thank you for your support in the procurement of this vehicle. This equipment acquisition will better protect our stakeholders and enhance our critical incident readiness.
